

Get Up! Australia
Marriage Equality Radio Campaign

Script One:

New Zealand

[MALE V/O, Dramatic]

Australia,

We have a national tragedy on our hands.

We are losing to New Zealand!

[Record scratch, Haka plays in the background, MALE V/O gets progressively more worked up]

Those kiwis from across the sea are beating us

And we're not talking about the Rugby.

The sheep herding hobbits

Have pushed forward a petition that has legalised same sex marriage.

[Australian national anthem plays]

But you can help Australia make a comeback in just 30 seconds!

If you support marriage equality,

Go to getup.org.au and sign the petition to put those fish and chop
chewers,

Back in their place!

Script Two:

USA

[MALE V/O, Dramatic]

Australia,

We have a national tragedy on our hands.

We are losing to America!

[record scratch, Colonel Bogey March plays in the background, MALE V/O gets progressively more worked up]

Those burger trotting yanks have 1 up'd us again

And we're not talking about the Olympics.

Those freedom loving rednecks

Have pushed forward a petition that has legalised same sex marriage.

[Australian national anthem plays]

But you can help Australia make a comeback in just 30 seconds!

If you support marriage equality,

Go to getup.org.au and sign the petition to put those G I Jerks,

Back in their place!

Script Three:

England

[MALE V/O, Dramatic]

Australia,

We have a national tragedy on our hands.

We are losing to England!

[record scratch, Royal Britannia plays in the background, MALE V/O gets progressively more worked up]

We're behind those tea drinking poms from up queen's way

And we're not talking about the Cricket.

Those posh scone munchers

Have pushed forward a petition that has legalised same sex marriage.

[Australian national anthem plays]

But you can help Australia make a comeback in just 30 seconds!

If you support marriage equality,

Go to getup.org.au and sign the petition to put those Chimney Sweepers

Back in their place!
